

CHEAT SHEET FOR WDW'S LIGHTNING LANE SYSTEM

WHAT IS A LIGHTNING LANE?

Lightning Lane is the way to skip the lines for select, attractions at Walt Disney World. WDW will have 2 choices that will break down as follows:

- **Lightning Lane Multi Pass:** This allows you to pre-select arrival windows for up to 3 experiences per day within a single theme park.
- **Lightning Lane Single Pass:** This lets you purchase access to the Lightning Lane for a specific attraction (different from those included in the Multi Pass) on a single day, across any park. You can pre-select 1 and purchase 2 on any given day.
- **Lightning Lane Premier Pass** allows you access to every ride's Lightning Lane without a reservation, 1x each day in 1 park.

Benefits of Using Lightning Lanes:

- **Reduced Wait Times:** Shorten your time in standby lines and experience more attractions in less time.
- **Pre-planning your day** with up to 3 pre-booked Lightning Lane selections.
- A little piece of mind knowing your must-do ride has been scheduled and you can fit in that show you wanted to see.

WHEN TO BOOK:

The Early Bird Gets the Lightning Lane!

As a guest of a WDW Resort Hotel or other select hotels (Walt Disney World Dolphin, Swan, Swan Reserve, or Shades of Green), you enjoy the longest booking window (7 days in advance). This allows you to plan and book Lightning Lane selections for your entire stay (up to 14 days) as soon as your booking window opens starting at 7:00 AM Eastern Time (ET) 7 days from your check-in day.

For Guests with Annual Passes or staying off property

Plan Your Park Days, Secure Your Lightning Lane:

Your booking window opens 3 days before your scheduled park visit. This means you can start securing Lightning Lane selections 3 days in advance.

WHEN TO PURCHASE LIGHTNING LANE PASSES

The Premier Pass

- Reservation Dates are the same as Multipass

BEFORE YOU GET STARTED.

Understanding Lightning Lane Costs:

Lightning Lane selections aren't a one-size-fits-all deal. The cost depends on several factors:

- **Date:** Prices tend to be higher during peak seasons like holidays and summer months, and lower during off-peak times.
- **Theme Park:** In general, tickets for Lightning Lane at highly sought-after parks like Magic Kingdom may cost more than for less busy parks.
- **Attraction:** The most popular rides or experiences within a park will likely have higher Lightning Lane prices compared to less popular attractions.

Next Step:

Before you purchase a Lightning Lane pass, you'll need to do 3 things:

- First, download the latest version of the My Disney Experience app.**
- Connect everyone in your travel group on your Family & Friends list in the My Disney Experience app—so you'll be able to purchase Lightning Lane passes and make plans for everyone that is eligible.
- Gather your group's wish list for attractions and experiences. You can save your group's top picks in the My Disney Experience app using the "My Day" feature.
